

Kelly van Haaften

ASPIRING FULL STACK DEVELOPER

Developed skills in HTML, CSS, JavaScript, and Node.js, along with experience in Python, React and C#. Proficient in API integration, UX/UI design (Figma, Adobe), and desktop app development with Electron. Additionally experienced in AI-driven avatar creation projects, bringing a reliable, collaborative approach and ready to contribute to impactful projects.

Education.

HBO ICT

August 2022 – June 2026

Bachelor of ICT, Specialization:

Full Stack Development

MBO Nursing Level 4

2015 – 2019

Completed a vocational program in nursing, focusing on healthcare provision, patient care, and medical support tasks.

Certifications.

CodeAcademy

2023 – Present | Individual Courses Completed:

- Learn HTML
- Learn CSS
- UI and UX Design
- Build a Website with HTML, CSS, and GitHub Pages
- Learn CSS: Typography & Fonts
- Learn Visual Design
- Learn JavaScript
- Build Web Apps with C# ASP.NET (In Progress)

Additional Certifications

- BHV Course (2019)

Background.

ClickBuddy - Desktop AutoClicker

2024 | Software Developer | www.click-buddy.com

Developed a desktop automation tool for Windows, with features like memory functions and multi-key support. Created a Mac-compatible version and implemented a subscription licensing model for advanced functionality.

Krak Chocolate

June 2023 | Shopify Web Developer | www.krakchocolate.nl

Built a Shopify webshop, optimized branding, and led design improvements to enhance user experience and engagement.

Nursing Team Coordinator

June 2021 - August 2021

Led a nursing team, overseeing staff scheduling to optimize resource use, managing recruitment and termination processes, and ensuring efficient care delivery aligned with organizational standards. Despite being in the role for only two months, I was recognized for my organizational skills and offered a pathway into management with additional training, which I chose to decline to pursue a career in IT.

Additional Experience in Healthcare

2012 - 2023 | Caregiver/Nurse

Held various roles in healthcare, focusing on patient care, teamwork, and quality management. Completed an impressive internship in Finland, gaining international experience in healthcare practices.

Languages.

Dutch

Fluent in writing and speaking (Level 3F)

English

Fluent in writing and speaking (Level 3F)
